

COMPANIES WITH CERTIFIED UST INSTALLERS

The State of Utah certifies individuals as UST installers and Installation Companies. Companies with currently certified UST installers are included. If "INSTALLATION COMPANY" is above the company name then they are a certified installation company. The check boxes below each individual's name indicates the types of UST installation he has been certified to do. The available endorsements include: General (full systems and piping), Liner (internal linings), Tech (service and repair), and CP (cathodic protection). Inclusion on this list is not a recommendation by the State of Utah. This list is subject to change without notice. For up-to-date information regarding an individual or company, contact the DERR UST Section at (801) 536-4100.
